**NOTICE**

Each project applicant shall remit to the county clerk the environmental filing fee before or at the time of filing a Notice of Determination (Pub. Resources Code, § 21152; Fish & G. Code, § 711.4, subdivision (d); Cal. Code Regs., tit. 14, § 753.5). Without the appropriate fee, statutory or categorical exemption, or a valid No Effect Determination issued by the California Department of Fish and Wildlife (CDFW), the Notice of Determination is not operative, vested, or final, and shall not be accepted by the county clerk.

**COUNTY DOCUMENTARY HANDLING FEE**

The county clerk may charge a documentary handling fee of fifty dollars (\$50) per filing in addition to the environmental filing fee (Fish & G. Code, § 711.4, subd. (e); Cal. Code Regs., tit. 14, § 753.5, subd. (g)(1)). A county board of supervisors shall have the authority to increase or decrease the fee or charge, that is otherwise authorized to be levied by another provision of law, in the amount reasonably necessary to recover the cost of providing any product or service or the cost of enforcing any regulation for which the fee or charge is levied (Gov. Code, § 54985, subd. (a)).

**COLLECTION PROCEDURES FOR COUNTY GOVERNMENTS**

**Filing Notice of Determination (NOD):**

- Collect environmental filing fee or copy of previously issued cash receipt. *(Do not collect fee if project applicant presents a No Effect Determination signed by CDFW. An additional fee is required for each separate environmental document. An addendum is not considered a separate environmental document. Checks should be made payable to the county.)*
- Issue cash receipt to project applicant.
- Attach copy of cash receipt and, if applicable, previously issued cash receipt, to NOD.
- Mail filing fees for CRP document to CDFW prior to filing the NOD or equivalent final approval (Cal. Code Regs. Tit. 14, § 753.5 (b)(5)). The CRP should request receipt from CDFW to show proof of payment for filing the NOD or equivalent approval. Please mail payment to address below made attention to the Cash Receipts Unit of the Accounting Services Branch.

If the project applicant presents a **No Effect Determination** signed by CDFW, also:

- Attach No Effect Determination to NOD *(no environmental filing fee is due)*.

**Filing Notice of Exemption (NOE) (Statutorily or categorically exempt project (Cal. Code Regs., tit. 14, §§ 15260-15285, 15300-15333))**

- Issue cash receipt to project applicant.
- Attach copy of cash receipt to NOE *(no environmental filing fee is due)*.

**Within 30 days after the end of each month in which the environmental filing fees are collected**, each county shall summarize and record the amount collected on the monthly State of California Form No. CA25 (TC31) and remit the amount collected to the State Treasurer. Identify the remittance on Form No. CA25 as "Environmental Document Filing Fees" per Fish and Game Code section 711.4.

**The county clerk shall mail the following documents to CDFW on a monthly basis:**

- ✓ A photocopy of the monthly State of California Form No. CA25 (TC31)
- ✓ CDFW/ASB copies of all cash receipts (including all voided receipts)
- ✓ A copy of all CDFW No Effect Determinations filed in lieu of fee payment
- ✓ A copy of all NODs filed with the county during the preceding month
- ✓ A list of the name, address and telephone number of all project applicants for which an NOD has been filed. If this information is contained on the cash receipt filed with CDFW under California Code of Regulations, title 14, section 753.5, subdivision (e)(6), no additional information is required.

**DOCUMENT RETENTION**

The county shall retain two copies of the cash receipt (for lead agency and county clerk) and a copy of all documents described above for at least 12 months.

**RECEIPT NUMBER**

- # The first two digits automatically populate by making the appropriate selection in the County/State Agency of Filing drop down menu.
- # The next eight digits automatically populate when a date is entered.
- # The last three digits correspond with the sequential order of issuance for each calendar year. For example, the first receipt number issued on January 1 should end in 001. If a county issued 252 receipts for the year ending on December 31, the last receipt number should end in 252. CDFW recommends that counties and state agencies 1) save a local copy of this form, and 2) track receipt numbers on a spreadsheet tabbed by month to ensure accuracy.

**DO NOT COMBINE THE ENVIRONMENTAL FEES WITH THE STATE SHARE OF FISH AND WILDLIFE FEES.**

Project Title:	The Parcel (the "Project")
Project Applicant:	Town of Mammoth Lakes
Project Location:	1699 Tavern Rd and 33 Center St Town of Mammoth Lakes Mono County, CA
Project Description:	<p>The Parcel is a project that will result in the construction of a variety of affordable workforce housing types with associated streets, community space/amenities, new bus stops, open spaces/parks, parking, and necessary utility infrastructure. Development of the Project would include 400 to 580 residential units, which equate to 16 to 23 dwelling units per acre (gross). All units would be restricted to individuals and households working in the region for the purpose of workforce housing. In addition to residential units, the project also proposes to construct at least one community-serving facility to support the neighborhood.</p> <p>The Project includes several approvals, including approvals of District Zoning Amendment (DZA) 20-001, adoption of the 2021 Parcel Master Plan, Zoning Code Amendment (ZCA) 20-005, UPA 20-003 (granting a density bonus for The Parcel site), and DR 20-005 for development of Phase 1 of The Parcel affordable housing development. The Town Council approved the Project on January 20, 2021, with the approval of DZA 20-001 and ZCA 20-005.</p>

Notice of Determination

*Posted thru 2/22/2021*

	<p>The environmental impacts of the Project were previously analyzed in (1) the certified <i>Final Program Environmental Impact Report for the Town of Mammoth Lakes 2005 General Plan Update</i> (State Clearinghouse No. 2003042155, dated May 2007); and (2) the <i>Town of Mammoth Lakes General Plan Land Use Element/Zoning Code Amendments and Mobility Element Update Draft Environmental Impact Report</i> (State Clearinghouse No. 2015052072, dated June 2016) (collectively, the “Previously Certified EIRs”). Pursuant to State CEQA Guidelines section 15183.3, the Town subsequently prepared an Infill Environmental Checklist in December 2020 that analyzed the Project’s potential impacts and the extent to which these impacts were already analyzed in the Previously Certified EIRs; the Infill Environmental Checklist concluded, based on substantial evidence, that the Project qualifies as an infill project and that no additional environmental review is necessary for the Project under State CEQA Guidelines section 15183.3 because the Project would not cause any new specific effects or effects more significant than those analyzed in the Previously Certified EIRs, and that uniformly applicable development policies or standards would substantially mitigate any potential Project effects.</p>
<p>Person or entity undertaking the project</p>	<p>Town of Mammoth Lakes is directly undertaking the Project as Lead Agency</p>

This is to advise that the Town of Mammoth Lakes, as the Lead Agency for the Project, approved the Project on January 20, 2021, and it has made the following determinations regarding the Project:

(State CEQA Guidelines, § 15183.3.)</p>
<p>2. <input checked="" type="checkbox"/></p>	<p>An Environmental Impact Report (EIR) <b>was</b> previously prepared and certified for the Project pursuant to the provisions of CEQA.</p>
<p>3. <input checked="" type="checkbox"/></p>	<p>Applicable mitigation measures or uniformly applicable development policies or standards as described in the Infill Environmental Checklist <b>were</b> made a condition of the approval of the Project.</p>
<p>4. <input checked="" type="checkbox"/></p>	<p>A mitigation monitoring or reporting plan <b>was</b> previously adopted for the project in connection with the Previously Certified EIRs.</p>
<p>5. <input checked="" type="checkbox"/></p>	<p>A Statement of Overriding Considerations <b>was</b> previously adopted for this project as part of the Previously Certified EIRs.</p>
