 OFFICE OF THE CLERK

Project Title: 428 Ridgecrest Drive (Adjustment 23-002)
Project Location – Specific: 428 Ridgecrest Drive (APN: 031-080-029-000)
Project Location – City: Mammoth Lakes **Project Location – County:** Mono

Description of Nature, Purpose, and Beneficiaries of Project: Adjustment (ADJ) 23-002, approves a 20% reduction of the side yard setback to allow the construction of an attached garage and accessory dwelling unit at 428 Ridgecrest Drive on a 0.19-acre lot. The property is located in the Residential Single-Family (RMF) zoning district.

Name of Public Agency Approving Project: Town of Mammoth Lakes

Name of Person or Agency Carrying Out Project: Mammoth Lakes Fir Street Development, LLC (property owner)

Exempt Status: (check one)

- Ministerial (Sec. 21080(b)(1); 15268):
- Declared Emergency (Sec. 21080(b)(3); 15269(a)):
- Emergency Project (Sec. 21080(b)(4); 15269(b)(c)):
- Categorical Exemption (State type and Section number): Guidelines Section 15303(e)(1), Existing Facilities
- Statutory Exemptions (State code number):

Reason why project is exempt: The project has been determined to be categorically exempt from the provisions of the California Environmental Quality Act (CEQA) pursuant to CEQA Guidelines Section 15301(e)(1), additions to existing structures provided that the addition will not result in an increase of more than 50 percent of the floor area of the structure(s) before the addition, or 2,500 square feet, whichever is less, of Title 14 of the California Code of Regulations. CEQA Guidelines Section 15301(e)(1) applies to the minor alteration of existing private structures, which the State has determined to be a class of projects that will not have a significant effect on the environment. The project involves the addition of a new attached garage with an accessory dwelling unit (ADU) below to an existing single-family residence located on a residentially zoned parcel, resulting in a 35 percent increase (976 square feet) in the floor area of the structure. Additionally, none of the exceptions set forth in CEQA Guidelines Section 15300.2, which would preclude a project from using a categorical exemption, are applicable.

Therefore, the project is exempt from CEQA pursuant to CEQA Guidelines Section 15061(b)(2) since the project meets the criteria for use of the existing facilities categorical exemption and the application of that categorical exemption is not barred by one of the exceptions set forth in Section 15300.2.

Lead Agency Contact Person: Michael Peterka, Associate Planner **Phone:** (760) 965-3669

If filed by applicant:

1. Attach certified document of exemption finding.
2. Has a Notice of Exemption been filed by the public agency approving the project? Yes No

Signature: Michael Peterka **Date:** June 22, 2023 **Title:** Associate Planner

NOTICE

Each project applicant shall remit to the county clerk the environmental filing fee before or at the time of filing a Notice of Determination (Pub. Resources Code, § 21152; Fish & G. Code, § 711.4, subdivision (d); Cal. Code Regs., tit. 14, § 753.5). Without the appropriate fee, statutory or categorical exemption, or a valid No Effect Determination issued by the California Department of Fish and Wildlife (CDFW), the Notice of Determination is not operative, vested, or final, and shall not be accepted by the county clerk.

COUNTY DOCUMENTARY HANDLING FEE

The county clerk may charge a documentary handling fee of fifty dollars (\$50) per filing in addition to the environmental filing fee (Fish & G. Code, § 711.4, subd. (e); Cal. Code Regs., tit. 14, § 753.5, subd. (g)(1)). A county board of supervisors shall have the authority to increase or decrease the fee or charge, that is otherwise authorized to be levied by another provision of law, in the amount reasonably necessary to recover the cost of providing any product or service or the cost of enforcing any regulation for which the fee or charge is levied (Gov. Code, § 54985, subd. (a)).

COLLECTION PROCEDURES FOR COUNTY GOVERNMENTS

Filing Notice of Determination (NOD):

- Collect environmental filing fee or copy of previously issued cash receipt. *(Do not collect fee if project applicant presents a No Effect Determination signed by CDFW. An additional fee is required for each separate environmental document. An addendum is not considered a separate environmental document. Checks should be made payable to the county.)*
- Issue cash receipt to project applicant.
- Attach copy of cash receipt and, if applicable, previously issued cash receipt, to NOD.
- Mail filing fees for CRP document to CDFW prior to filing the NOD or equivalent final approval (Cal. Code Regs. Tit. 14, § 753.5 (b)(5)). The CRP should request receipt from CDFW to show proof of payment for filing the NOD or equivalent approval. Please mail payment to address below made attention to the Cash Receipts Unit of the Accounting Services Branch.

If the project applicant presents a **No Effect Determination** signed by CDFW, also:

- Attach No Effect Determination to NOD *(no environmental filing fee is due)*.

Filing Notice of Exemption (NOE) *(Statutorily or categorically exempt project (Cal. Code Regs., tit. 14, §§ 15260-15285, 15300-15333))*

- Issue cash receipt to project applicant.
- Attach copy of cash receipt to NOE *(no environmental filing fee is due)*.

Within 30 days after the end of each month in which the environmental filing fees are collected, each county shall summarize and record the amount collected on the monthly State of California Form No. CA25 (TC31) and remit the amount collected to the State Treasurer. Identify the remittance on Form No. CA25 as "Environmental Document Filing Fees" per Fish and Game Code section 711.4.

The county clerk shall mail the following documents to CDFW on a monthly basis:

- ✓ A photocopy of the monthly State of California Form No. CA25 (TC31)
- ✓ CDFW/ASB copies of all cash receipts (including all voided receipts)
- ✓ A copy of all CDFW No Effect Determinations filed in lieu of fee payment
- ✓ A copy of all NODs filed with the county during the preceding month
- ✓ A list of the name, address and telephone number of all project applicants for which an NOD has been filed. If this information is contained on the cash receipt filed with CDFW under California Code of Regulations, title 14, section 753.5, subdivision (e)(b), no additional information is required.

DOCUMENT RETENTION

The county shall retain two copies of the cash receipt (for lead agency and county clerk) and a copy of all documents described above for at least 12 months.

RECEIPT NUMBER

- # The first two digits automatically populate by making the appropriate selection in the County/State Agency of Filing drop down menu.
- # The next eight digits automatically populate when a date is entered.
- # The last three digits correspond with the sequential order of issuance for each calendar year. For example, the first receipt number issued on January 1 should end in 001. If a county issued 252 receipts for the year ending on December 31, the last receipt number should end in 252. CDFW recommends that counties and state agencies 1) save a local copy of this form, and 2) track receipt numbers on a spreadsheet tabbed by month to ensure accuracy.

DO NOT COMBINE THE ENVIRONMENTAL FEES WITH THE STATE SHARE OF FISH AND WILDLIFE FEES.
