Inaugural Eastern Sierra “Shop With A Cop” Supports Local Families

On Saturday, December 10, approximately 20 Eastern Sierra families received an early Christmas thanks to the generosity of local law enforcement officers and community members and organizations that supported their cause. The concept of “Shop With A Cop” was introduced to the Mammoth Lakes Police Officers Association (POA) by Officer Rick Moberly who participated in a similar program when he was an officer in San Diego. “Shop With A Cop” identifies children from disadvantaged families and the local police raise funds to take the child shopping for Christmas gifts for their families. The Mammoth Lakes POA quickly agreed to the idea and reached out to Bishop PD and the Inyo and Mono County Sheriffs Department who also quickly agreed to participate.

The respective POA’s identified the families through a variety of sources, including the local schools. They also raised enough funds so that each child would have \$200 to shop for their family and to get a gift for themselves. Thanks to the generosity of K-Mart in Bishop who offered a 10% discount, each child had \$220 to spend.

On Saturday morning, the children were picked up by a uniformed officer or deputy and driven in a black and white police car to Whiskey Creek in Bishop where they enjoyed breakfast and a brief appearance from Santa. After breakfast everyone headed to K-Mart riding code 3 (red lights and sirens) to the amazement and perhaps a little confusion from on-lookers not used to seeing 20+ police cars driving 25 mph with lights and siren.

After arriving at K-Mart, they all grabbed a shopping cart and hit the aisles. The officer or deputy made sure they stayed on budget, or close to it, and that they spent most on their families. Neither was a problem since most of the kids wanted to spend all of the money on their family members and had to be convinced that they should get something for themselves. When they went over budget, the officers covered the balance or, in at least one case, another shopper in line, after learning what was happening, agreed to pay the \$17 that was over budget.

After another group of officers and their family members wrapped the presents and a photo was taken with Santa Claus, the officer and his or her new partner drove back to the family residence where the gifts were distributed.

Mammoth Lakes Police Chief Dan Watson said, "This was one of the most memorable and enjoyable community events I've attended. The looks on the kids' faces said it all. Thanks to the Police Officer Associations for agreeing to this and to the many people who volunteered and donated to make it happen. While these families were able to celebrate Christmas early, I have no doubt that the officers and deputies that participated got as much out of this out of this as anyone. I have no doubt we will do this again."

Night of Lights – Dec. 17

Mammoth is excited for the return of the Night of Lights at Canyon Lodge on Saturday, December 17, 2011. This event that began almost two decades ago celebrates the magic of the holiday season with a winter lights show against the majestic backdrop of Mammoth's ski slopes. Guests of all ages are invited to ride the complimentary Village Gondola to Canyon Lodge where they can enjoy a fun-filled night complete with a firework show, torchlight parade, live music and more.

View the show from the snow, or grab tickets to one of the VIP viewing areas for a premium perspective on the festivities. Stick around after the sights for the sounds of The Naked and Famous, whose blend of indie-pop is like a mix of MGMT and Passion Pit. The Night of Lights is presented by the Southern California Ford Dealers – the Official Vehicle of Mammoth Mountain. Please visit <http://www.mammothmountain.com/ResortActivities/SpecialEvents/NightofLights> for the product offerings, schedule of events and transportation information.

Please note: Canyon Blvd. from Forest Trail will be temporarily closed from 5:00 – 7:00 p.m. on Saturday, December 17, 2011. Any lodging guests of Austria Hof or other condominium renters/owners have access during this period of time. Please identify yourself to the MLPD officer at the closure.

"Festive Holiday POPS" – Dec. 17

Chamber Music Unbound presents The Felici Piano Trio, Eastern Sierra Chamber Orchestra & Choir and Maria Jette, soprano in "Festive Holiday Pops" playing on Saturday, December 17, 2011, from 7:30 p.m. at St. Joseph's Catholic Church, Mammoth Lakes. Music by Handel, Bach and festive holiday tunes. Tickets (\$25 Adult, \$17 Senior) are available online (www.ChamberMusicUnbound.org), at Access Art and Business Center, the Inyo Council for the Arts, or at the door on concert nights.

"Nutcracker and More"

Are you looking for something to do this weekend? Do you have family arriving in town for the holidays and want some night life or something different? Would you like to support your local youth? Would you like to support a local program that give our youth a positive extracurricular activity?

This weekend (TONIGHT) Friday, December 16, 2011 at 7:00pm, Saturday, December 17, 2011 at 2:00pm & 7:00pm and Sunday, December 18, 2011 at 3:30pm the dance studio in Bishop is performing the "Nutcracker and More." This is a great show (it is a different (and condensed) take on the traditional nutcracker) as well as performances to many current songs. Best of all, there are over 40 local children from Lone Pine, Bishop and Mammoth Lakes who have worked hard over the last few months (and year) to hone their skills and perform!

Tickets are \$15 for adults, \$10 for seniors and \$5 for children. Put on your mittens, scarf's and jackets and head to the Bishop Union High School Auditorium for a dose of fun and culture! Tickets are sold at the door or if you call me at (760) 784 -5461 and leave me the number and types of tickets, date and time you are interested in I can leave them at will call for you.

Edison Theatre Presents "It's a Wonderful Life" – LAST DAY DEC. 18

Every year the Frank Capra classic film "It's a Wonderful Life" plays on television screens across America reminding us of the story about dreams, sacrifice and redemption. In the story, when George Bailey considers ending his life on Christmas Eve, an angel shows him the light. This year Mammoth Lakes Repertory Theatre, under the direction of Artistic Director Shira Dubrovner, is bringing that story to life in a lively and different way. This year it's being presented at the Edison Theatre on stage as a 1940s-style radio production, complete with period costumes and special effects being created live on stage as the story progresses.

"It's a Wonderful Life," the live radio show, plays December 8-18 on Thursday, Friday, and Saturday evenings at 7:00 pm, and on Sunday afternoons at 4:00 pm. Special tickets prices for this family-friendly production are \$15 General Admission and \$12 for Seniors and Students. Group rates are also available for groups of 10 or more. The Edison Theatre is also offering the opportunity for companies to buy out the theatre as a holiday gift for their employees. If interested, contact Shira Dubrovner at 760-934-6592 or shira@mammothlakesfoundation.org.

Transient Occupancy Tax (TOT) Frequently Asked Questions

Some of the most frequently asked questions about legal rentals and Transient Occupancy Tax (TOT) are:

1. What is a transient rental?

A transient rental is any unit that is occupied for the purpose of sleeping, lodging, or similar reasons for a period of 30 consecutive days or less in exchange for a fee or similar consideration.

2. Can I rent my unit as a transient rental?

Only some zones within the Town of Mammoth Lakes permit transient rentals. The following zones permit transient rentals:

- RMF-2 (Residential Multi-family 2)
- CL (Commercial Lodging)
- CG Commercial General)
- R (Resort, including master plan areas)
- SP (Specific Plan, including North Village and Clearwater)

This list is intended as a guide only. Although the above zones permit transient use generally, other regulations, such as those found in master plans, CC&Rs, or project conditions of approval may prohibit transient rental within a particular development. Generally, transient rental of single family homes is prohibited. A zoning map can be found on the Town's website.

3. What is transient occupancy tax (TOT)?

Transient occupancy tax, or TOT, is a 13% tax that is charged "for the privilege of occupancy of any transient occupancy facility." The tax is required to be paid to the operator of the transient occupancy facility at the time the rent is paid. It is the operator's responsibility to remit the TOT to the Town.

4. Do I need to pay TOT?

If you are renting your unit as a transient rental, even if it is only for one weekend a year, you need to pay TOT. This includes single family homes and other units that are not permitted to rent nightly, but may be doing so illegally. TOT shall be remitted for each night the unit is rented.

5. Do I need a business tax certificate?

Yes, if you are renting your unit on a transient basis.

6. Do I need a transient occupancy tax certificate?

Yes. You are required to purchase a transient occupancy certificate for each rental unit to post in your transient rental property. This is included as part of Schedule E or F in the business tax certificate application.

7. What is the difference between a business tax certificate and a transient occupancy tax certificate?

Business tax is an annual tax and is required for all business activity. The transient occupancy tax certificate is a one-time purchase that is non-transferable. This certificate is required to be posted in your transient rental unit.

8. Do I need a business tax certificate if all of my rentals are handled through a reservation company?

If all of your rentals are handled through a reservation company, most reservation companies will purchase the transient occupancy tax certificate and collect and remit the TOT to the Town. You may wish to check with your reservation company to confirm that this is being taken care of. If you rent your unit by owner in addition to renting with a property management company, you are also required to obtain a separate business tax certificate and transient occupancy tax certificate.

9. How do I apply for a business tax certificate?

The Town's website contains information regarding business tax certificates, including an application for a business tax certificate: <http://www.ci.mammoth-lakes.ca.us/index.aspx?NID=182>. Transient Rentals fall under schedule F for condominium rentals and schedule E for hotels, motels, lodges, and campgrounds. This application can be mailed back to the Town, or submitted in person. The total cost for one unit is \$118.00 (\$65.00 application fee, \$5.00 planning review fee, \$25.00 fee to rent one unit, \$23.00 TOT certificate fee). Additional costs apply for additional units. Business tax certificates are required on or before the first day business commences; penalties will apply for late filings. If you have additional questions regarding this process please contact the Finance Department at (760) 934-8989 x245.

10. Do I have a business tax certificate?

To find out if you have a valid business tax certificate on file, please contact the Finance Department at (760) 934-8989 x245 or your property management company.

11. What is illegal rental activity?

Illegal rental activity is any rental activity that is not consistent with the Town's Zoning Ordinance, or any rental activity that is not compliant with the Transient Occupancy Tax Ordinance. This can include transient rental of units located in zones that prohibit transient rentals. It can also include transient rentals in a zone where it is permitted, but when the TOT is not remitted to the Town.

12. How can I report illegal rental activity?

If you suspect illegal rental activity, you may submit an anonymous tip via the Town's TOT hotline at (760) 934-8989 x275 or on the Town's website via the Transient Occupancy Tax information page. Please include any information that you have that would substantiate the claim, along with the property address and owner's name if you have it. You may also email

tot@ci.mammoth-lakes.ca.us. Note that emails are not anonymous, however, staff will do its best to keep your information private.

13. Questions & Anonymous TOT Hotline

If you have questions about TOT enforcement, or if you would like to report suspicious activity or rental advertisements please contact our anonymous hotline. The Town will follow-up on any reports submitted. The Hot Line Number is (760) 934-8989 ext. 275 or email your information to: TOT@ci.mammoth-lakes.ca.us.

Help Keep Mammoth's Air Clean This Winter

When the Town of Mammoth Lakes experiences periods of clear, cold, and calm weather with minimal breeze, the air quality deteriorates. Wood smoke from fireplaces and stoves cannot dissipate, and sometimes builds up to unhealthy levels that could have serious health consequences. To keep our air as clean as possible, please do your part by following these simple steps:

- Only burn clean and hot fires
- Check your chimney periodically for emissions (if smoke is clearly visible, then your fire needs more air, the wood is not dry enough, or the wood is not split small enough)
- Call (760) 934-1010 for any wood burning restrictions
- Abide by the "no wood burning" days restrictions

The Town of Mammoth Lakes continually monitors air quality, and will announce "no wood burning" days when air quality is forecast to approach unhealthy levels. To find out if wood burning restrictions have been announced, please call (760) 934-1010, listen to local radio announcements, or sign up for air quality notifications via the Town's Notify Me feature at <http://www.ci.mammoth-lakes.ca.us/list.aspx>.

Thank you for your understanding and cooperation.

Register for CodeRED

Residents of Mono County can register their cell phones to receive emergency CodeRED (reverse 911) alerts from Mono County. This is a county public service available to all Mono County residents so please tell your friends and neighbors in Mono County that they can register for this service. CodeRED announcements are for personal notification and will not replace CERT CAHAN notification. Here is how to sign register/sign up using the INTERNET:

1. Go to monosheriff.org
2. scroll down left side panel to CodeRED community notification system;
3. click on it and follow directions.

Mammoth Lakes Police Department is Looking for Reserve Police Officers

The Mammoth Lakes Police Department is reactivating its Police Reserve Officer Program. Police Reserve Officers are part-time volunteers who supplement the full time officers. They can serve a variety of assignments including patrol, special events, prisoner transportation, and wildlife management. Police Chief Dan Watson reports that he and other Eastern Sierra law enforcement personnel have been working with Cerro Coso College to institute a Reserve Academy at the Bishop or Mammoth Lakes campus. In the meantime, the Mammoth Lakes Police Department

is looking for any retired police officers who live in the general area who may be interested in joining the MLPD as a Reserve Officer. Anyone interested in learning more about the MLPD Police Reserve Program should contact Sergeant Marc Moscowitz at (760) 934-2011 ext. 68 or at mmoscowitz@mammothlakespd.org.

New Non-Stop Winter Flights to Mammoth Lakes

Beginning this winter, San Diego and Orange County residents will have easy access to world-class skiing and snowboarding thanks to [United Airlines'](#) new non-stop service to Mammoth Yosemite Airport. United is also expanding service from San Francisco International Airport to Mammoth Lakes with a second flight from Friday – Monday. The new flights will depart daily throughout the winter from San Diego and four days per week from Orange County (Friday - Monday). In addition, air service to and from San Francisco now includes additional Friday - Monday flight service to complement the daily flight service already in existence.

United Express regional partner SkyWest Airlines will operate the flights using 66-seat CRJ700 regional jets which include six first-class and 60 economy seats per plane. The first flights of the season are scheduled to depart Thursday, December 15, 2011 from San Francisco and San Diego and Friday, December 16, 2011 from Orange County. For more information about the new flights or to reserve a seat, call 1-800-UNITED1 or visit www.united.com. For more information about Mammoth Mountain, visit www.mammothmountain.com.

Leash Law Reminder

Mammoth residents and visitors are reminded that the Town has a leash law, and it is a violation of the ordinance to allow your dog to run loose off of your property. While budget cuts eliminated the Animal Control Officer position, the laws pertaining to controlling your pets did not change, and you can still be cited by Mammoth Lakes Police Department officers if your dog is at large. The PD is currently receiving a large number of complaints from several neighborhoods, and will be targeting patrol time in those areas when possible to apprehend loose dogs and to cite their owners. In addition to the citation fine, you could also be charged boarding fees by Mono County Animal Control if we choose to impound your dog at the Whitmore Shelter.

At-large dogs are a traffic hazard, and even the most well behaved dog can bite if provoked. If your loose animal causes a traffic collision or injures/bites someone, you would likely be liable for damages, which could add up to thousands of dollars. Please respect your neighbors, AND your pet and obey the leash law.

Carbon Monoxide Detectors Save Lives

The Town of Mammoth Lakes has launched a community outreach effort to inform community residents that on July 1, 2011 many homes will be required to install carbon monoxide detectors.

The Federal Centers for Disease Control and Prevention estimate that carbon monoxide kills approximately 500 people each year and injures another 20,000 people nationwide. In an effort to prevent these accidental deaths and injuries, the California legislature enacted SB 183 (Lowenthal) which mandates owners of dwelling intended for human occupancy to install carbon monoxide devices in existing dwelling units having a fossil fuel burning heater or appliance, fireplace, or attached garage.

CO devices must be installed in all specified single-family dwellings by July 1, 2011.

All other specified dwelling units must have CO devices installed by January 1, 2013.

The Office of the State Fire Marshal (SFM) has developed a list of certified CO devices that meet the requirement specified within the Carbon Monoxide Poisoning Prevention Act of 2010.

For a complete list of currently approved devices please visit the SFM's website at http://osfm.fire.ca.gov/licensinglistings/licenselisting_bml_searchcotest.php. Under the search categories provided select Carbon Monoxide Alarms and Carbon Monoxide Detectors for a complete list of devices.

Further details contained within the Carbon Monoxide Poisoning Prevention Act of 2010:

- Owners shall install CO devices in a manner consistent with building standards applicable to new construction for the relevant type of occupancy if it is technically feasible. See the 2010 California Building Code, Section 420.4, and the 2010 California Residential Code, Section R315.
- CO devices shall produce a distinct audible alarm.
- CO devices may be combined with a smoke detector, if the combination device meets all specified SFM listing and approval requirements.
- Violation of Health & Safety Code Section 17926 is an infraction punishable by a maximum fine of two-hundred dollars for each offense.
- A local enforcement agency shall provide the property owner a 30-day notice to correct.
- Local jurisdictions are authorized to adopt ordinances requiring CO devices if the ordinance is consistent with the requirement of this bill.

For a full list of this legislation's stipulations please review the Department of Housing and Community Development's Information Bulletin 2011-01 at <http://www.hcd.ca.gov/codes/shl/infobulls/IB2011-01.pdf>.

Town Outdoor Lighting Ordinance

In 2003, the Town implemented an outdoor lighting ordinance to eliminate light pollution and preserve views of our starry skies. The outdoor lighting ordinance was adopted to encourage residents to administer a lighting system that not only promotes public safety and night-time ambiance but to maximize energy conservation. To eliminate glare and light trespass into neighboring properties and roadways, the outdoor lighting fixtures on your property should be shielded and re-directed to shine downward or changed out to a lower wattage. More information about responsible lighting can be found at www.crlaction.org.
