

Summer Camp and Swim Lesson Waitlist Frequently Asked Questions

- Frequently Asked Questions:
 - What happens when a spot opens up?
 - Staff will contact the first person on the waitlist and see if they are still interested. If we are unable to get in touch, we give them a timeframe in which to respond. If we do not hear back within that timeframe, we go to the second person on the list.
- How do I remove myself from the waitlist?
 - Email lplum@townofmammothlakes.ca.gov. We find that often people make other plans and can no longer attend the camp. If that is you, please let me know so I can remove you from the waitlist.
- How do I know where I am on the waitlist?
 - Unfortunately, there is no way to look up where you are on the waitlist through your account, yet. I am happy to answer any questions you may have about waitlists and tell you where you are on the list just shoot me an email lplum@townofmammothlakes.ca.gov or give me a call at (760) 965-3699.
- My kid is 10th on the waitlist, how likely is it that he will get in?
 - I wish I had a definitive answer for this but I don't. I can tell you that the most movement in the waitlist occurs in the week following enrollment and the two weeks prior to camp. I can tell you that most people on the waitlist make other plans and can no longer attend the camp so being 10th shouldn't be as discouraging as it sounds.
- Waitlist of swim lessons
 - If you are interested in swim lessons but the lesson is full please add yourself to the waitlist. We are able to accommodate waitlisted individuals for swim lessons; we just need to know you are interested.
